Service Provided

We will advise and make a recommendation for you after we have assessed your needs.

We only offer mortgages from a selected panel of lenders. We can provide you with a list of these.

If you are borrowing more money you should be aware that other forms of finance may be available such as a remortgage, a further advance from your existing lender or an unsecured loan.

Fees and charges

☐ No Fee. We will be paid commission from the lender

☐ A fee of £1,695 is payable on completion. We will also be paid commission from the lender

You will receive an illustration when considering a particular mortgage, which will tell you about any fees relating to it and the actual amount of commission we will be paid.

We will not charge you a fee if the mortgage does not go ahead. We only get paid on completion.

You have the right to request an illustration for any regulated mortgage product which we can offer. You also have the right to ask us for the commission paid by the different lenders available to us.
